# Decker Truck Line Names January Drivers of the Month

(Fort Dodge, Iowa) - Decker Truck Line, Inc. is pleased to announce that Lynn Beckler and Kenneth Pilkenton have been chosen as the company's January 2012 Drivers of the Month.

Lynn Beckler was selected as Driver of the Month in the Reefer-Van Division. Beckler was nominated by his dispatcher, Gary Northrop, who said "Lynn stepped up to help on the California Pfizer run when the original driver could not continue. Lynn always does a great job on every load." Beckler has been driving for Decker for 27 years.

Kenneth Pilkenton was chosen as the Flatbed Division's Driver of the Month. Pilkenton's dispatcher, Troy Rubel, says, "Ken has been a very dependable driver, always on time and does an exceptional job. He is a very good communicator and lets me know about any issues that arise in a timely fashion." Pilkenton will celebrate 10 years with Decker in March.

In addition to winning a Decker gift certificate, both of these drivers will now be eligible to compete for Driver/Owner-Operator of the Year. This year-end recognition of one driver from each division brings a 1-cent-per-mile pay increase for twelve months.

Decker's Drivers of the Month are selected by their dispatchers based on overall performance within all areas of the company, including operational productivity, safety record, maintenance/care of equipment, payroll, billing and customer service.

Founded in 1931, Decker Truck Line, Inc. is a diversified carrier, transporting flatbed, refrigerated and dry van freight to the 48 contiguous states and seven Canadian provinces.
