Decker Truck Line Names Erleben and Jensvold 2011 Drivers of The Year

(Fort Dodge, Iowa) - Decker Truck Line, Inc. has chosen Warren Erleben as its 2011 Flatbed Driver of the Year and Eric Jensvold as its 2011 Reefer--Van Driver of the Year. They were presented with Driver of the Year plaques and jackets by company president Don Decker during a ceremony at the company's Ft. Dodge headquarters. Both men will also receive an additional 1-cent-per-mile pay increase for twelve months on all dispatched miles.

Erleben had been originally selected as Decker's Flatbed Driver of the Month for July, 2011, nominated by his dispatcher, Jerry Chapman. "Warren is very easy to work with and will do the extra loads when asked," said Chapman. "He will run anywhere and deliver on Saturdays." A six-year Decker veteran, Erleben and his wife Vicki are the parents of four children, ages 15 to 25 years.

Jensvold was originally chosen as Decker Reefer-Van Driver of the Month for July, 2011 and was nominated by his dispatcher, Gary Northrop, who stated "Eric came out from his vacation to help us out on a load we needed to get to another driver. Eric normally does a dedicated California run. He gives up some holidays and special things to keep the dedicated run on schedule." Jensvold and his wife Diane have two daughters and one grandson. He has driven for Decker for 21 years.

Decker's Drivers of the Year are selected from each division's 12 Drivers of the Month, who are nominated by their dispatchers based on overall performance within all areas of the company, including operational productivity, safety record, maintenance/care of equipment, payroll, billing and customer service.

Three drivers were also recognized for outstanding performance in 2011 for achieving two million safe miles. Honored were Gary Geisinger, John McCleney, and Doug Blair, who each received a Million Mile plaque and jacket.

Founded in 1931, Decker Truck Line, Inc. is a diversified carrier, transporting flatbed, refrigerated and dry van freight to the 48 contiguous states and seven Canadian provinces.
